

CAST ALUMINIUM

Rainclear's cast aluminium rainwater system emulates the original features of traditional cast iron making it an ideal choice for sympathetic restoration and new build projects where traditional character is required.

The cast aluminium rainwater system is available from stock in a textured black powder coated finish. It can also be supplied in plain mill finish, or in any of the below standard RAL matt or textured colours.

Contact us on 0800 644 44 26 to request a free colour swatch.

All standard RAL colours below are available on a 7-10 working day lead-time.
